Dear Friends,

Our annual adventure triathlon, DisasTour VI, that includes running, cycling and paddling will take place on Saturday, April 29, 2017. All proceeds from this fun event will benefit the communities of Granville, Hancock and Rochester, Vermont.

We are looking for donations - both cash and in-kind gifts to use as prizes for this event. Will you help us to make this event a success? All donations of $100 or more will get your logo on the DisasTour page of the RASTA website and on a banner at the event. If you commit to a donation of $100 or more by February 10, your logo will also appear on the race t-shirts. Sponsors interested in participating in this event also get reduced entry fees for their team!

In 2011, the White River DisasTour Race was born to increase awareness of the damage done to the White River Valley by Tropical Storm Irene and to help those in need. The first year, just weeks after Tropical Storm Irene devastated our area and with limited planning, advertising and help, over $2,000 was donated to our friends and neighbors in Granville, Hancock and Rochester.

In the years since, the race has evolved to continue to help the communities of the White River Valley. We have made donations to the local community Food Shelf, to the Vermont Food Bank and to other local organizations. This year our focus is helping to fund a multi-use Wellness Trail behind the Rochester Ranger Station and to help the local food shelf.

Please consider making a donation close to home, where every dollar counts. 100% of the proceeds from this event will go back into the community where you live or work.

Thank you for your consideration,
